Marriage Matters

A Marriage Enrichment Seminar

March 30th—April 2nd

Marriage Matters is a seminar that focuses on incorporating God into real-life issues of marriage and family. Using God as the foundation, the seminar presentations provide Biblical and psychological information for maintaining good marriages and explain in a very down-to-earth manner the origin of many marital problems and the solutions to counter them.

This seminar will benefit people in every stage of life, whether single, divorced, or widowed. It's not just a conference for people with troubled marriages. It's for any couple who wants to build a stronger marriage, a better family and learn more about themselves. It's for singles and young adults who will one day find themselves preparing for marriage. Marriage Matters to everyone!

Presenters Dr. Jerry Jones and his wife Lynn bring unique experiences and exceptional qualifications to this seminar. Jerry's education includes a doctoral degree, and his 40-year teaching ministry has taken him to 43 states and six foreign countries. Lynn's education includes a master's degree in clinical psychology. They are guaranteed to make you laugh, cry, and truthfully evaluate yourself and your family relationships. You will not want to miss a single session.

There is NO COST for this seminar and registration is only required if you need child care. Participants may attend any number and/or combination of sessions.

Child care will be available for each seminar session. Please call the church office at 292-7649 to register your child.
